

# EDGEFAST W550

## BRUSH GRADE COLD JOINT PAINT - DECLARATION OF PERFORMANCE

EdgeFast W550 is a general purpose cold applied emulsion designed to improve bond performance of new material with existing bituminous substrates. The product is specially formulated for use on both vertical and horizontal joint faces on asphalt and macadam surfaces. The cationic formulation provides a fast break, and hence earlier weather resistance than anionic products. This material meets the guide specification in clause NG 6.5(2) of Appendix NG 6 of the Highways, Roads and Street Works Act 1991. EdgeFast W550 cold joint paint is available in pouring or brushing grades.

### FEATURES AND BENEFITS

- Cationic formulation provides a fast break
- Complies with current highway specifications
- Provides faster dry times than anionic products

## DECLARATION OF PERFORMANCE:

SGS Ltd, Notified Body No. 0120 (UKCA) & No. 1029 (CE) issued the certificate of conformity of FPC on the basis of:

1. Initial inspection of the manufacturing plant
2. Factory Production Control continuous surveillance, assessment and evaluation of FPC

### MANUFACTURED EMULSION (EN 13808:2013)

Viscosity (EN 12846) (4mm at 50°C)	NR	NR
Water effect on binder adhesion (EN 13614)	≥ 90%	Class 3
Breaking behaviour (EN 13075-1)	110 - 195	Class 4
Dangerous Substances	NR	NR

### RECOVERED BINDER (EN 13074-1)

Consistency at intermediate service temperature (EN 1426)	≤ 150 dmm	Class 4
Consistency at elevated service temperature (EN 1427)	≥ 46°C	Class 5
Cohesion (modified bitumen emulsions) (EN 13588)	NR	NR

### STAGE 1 DURABILITY - STABILISED RESIDUAL BINDER (EN 13074-1, 13074-2)

Consistency at intermediate service temperature (EN 1426)	≤ 150 dmm	Class 4
Consistency at elevated service temperature (EN 1427)	≥ 46°C	Class 5
Cohesion (modified bitumen emulsions) (EN 13588)	NR	NR

### MEON PERFORMANCE ASSURED

Meon Performance Assured is a system Meon have created which ensures products under the MPA programme have undergone vigorous testing to give you the assurance of quality, with the stated performance values relevant when applied in accordance to the recommended application method and dosage rate.

Meon Limited declares the product referred to in this Certificate conforms with the declared performance above, when applied by a Meon trained and approved installer.
