

FluoTP™

AEROSOL MARKER PAINT

AEROSOL PAINT:

Fluo TP is an aerosol marker designed for all applications requiring the use of an inverted marker which gives high visibility markings. Typical uses include forestry operations, landscaping, surveying, groundworks, utilities tracing and marking. The specially-designed fine nozzle allows clear writing and markings, where required, as well as spot marking.

PRODUCT FEATURES:

- High-visibility fluo colours
- Marking life duration of 9 to 12 months
- Can be used in temperatures of -15°C to 50°C

CUSTOMER BENEFITS:

- Markings are clear to see
- Use all year round
- Lasting markings for long projects
